ELLYSE PERRY CHALLENGE DAY

Over 125 primary school girls from surrounding schools joined our 25 Lalor Park representatives to participate in the Ellyse Perry Challenge Day last Friday at the Blacktown International Sportspark. The Ellyse Perry Challenge Day is an initiative of Cricket NSW and Football NSW to encourage girls to lead an active and healthy lifestyle through sport.

The girls spent the day taking part in a variety of cricket and football drills, while they also had the opportunity to ask questions of Perry and fellow Matilda, Sarah Walsh. Both sport stars were extremely popular with our LPPS girls who patiently waited over half-an-hour for a signing of their posters.

During part of Ellyse’s presentation she spoke with the girls about aspects of a good leader. When speaking later with the girls many of the below factors resonated with them.

Good leaders:

- Work well with others
- Take responsibility
- Respect themselves and others
- Lead by example
- Are enthusiastic
- Are honest and trustworthy
- Involve others always

The girls had a great time learning new skills, playing games with new friends from different schools and participating in the day’s events. From all reports it was a fantastic day where our girls proudly represented Lalor Park.
